

## MIAMI-DADE COUNTY PUBLIC SCHOOLS (M-DCPS) 2023-2024 TITLE I DISTRICT-LEVEL PARENT AND FAMILY ENGAGEMENT PLAN (PFEP)

The 2023-2024 District-level Parent and Family Engagement Plan (PFEP) has been jointly developed and agreed upon by stakeholders (e.g., staff, families, community members, etc.) in compliance with Title I federal funding regulations [Section 1112(C) and Section 1116]. The plan describes how the District is conducting outreach to all parents and family members to implement programs, activities, and procedures that promote parent and family engagement. Additionally, the Title I District-level PFEP is made available to the parents and family members of participating children in Title I Schools.

### M-DCPS MEASUREMENT OF PARENT AND FAMILY ENGAGEMENT PARTICIPATION

The Miami-Dade County Public Schools (M-DCPS) Title I Parent and Family Engagement Survey (English, Spanish, and Haitian-Creole), online and printed format, is made available to parents and families of students enrolled in Title I schools by the end of each school year. In addition, schools implementing the Title I Schoolwide Program also distribute the Title I School-level Parent and Family Engagement Survey to parents of students attending the school. Survey data is utilized to conduct an evaluation of the content and effectiveness of the Parent and Family Engagement Program and to plan for the following school year.

### PARENT AND FAMILY ENGAGEMENT MISSION STATEMENT

The mission of the Miami-Dade County Public Schools (M-DCPS) Title I Parent and Family Engagement Program is to enhance meaningful engagement by expanding equity and access, improving advocacy, and building the capacity of all stakeholders to be active participants in support of measurable improvement in student achievement. To that end, M-DCPS will utilize the Title I, Part A Parent and Family Engagement reservation to carry out the following activities and strategies.

### ENGAGEMENT OF PARENTS

Miami-Dade County Public Schools (M-DCPS) will provide training to all school staff participating in the Title I Schoolwide Program regarding ways to include parents in the development of the Local Educational Agency (LEA) - wide Title I PFEP, the LEA plan, how the funds reserved for parent and family engagement will be spent, and all aspects of the Title I Schoolwide Program. The Title I District Advisory Council (DAC) and three (3) Title I Regional Parent Advisory Councils (PAC), comprised of parents and staff from different school sites elected by parents of students enrolled in schools implementing the Title I Schoolwide Program, to serve during the 2023-2024 term, will review and address the educational needs of participating schools. The DAC Executive Board and PAC Officers will conduct meetings and activities to further the engagement of parents and families. The scope and sequence of the requirements for engaging parents will be included on the DAC and PAC meeting agendas. Agenda topics may include: involving parents and families in the planning and implementation of the Title I Schoolwide Program at participating schools; utilizing the minimum requirement of the school's Title I allocation to support [Section 1112(C) and Section 1116], Parent and Family Engagement Requirements; conducting the Annual Parent Meeting About the Benefits of the Title I Schoolwide Program at the beginning of the school year to inform parents of the school's participation in the Title I Schoolwide Program; providing the M-DCPS Consultation and Complaint Procedures information; developing, distributing and reviewing the Title I District and School-level PFEP; distributing the Title I Program Notification Letter in English, Spanish, and Haitian-Creole; and developing, distributing, and reviewing the Title I School-Parent Compacts, also available in multiple languages. Each Title I PAC will meet a minimum of three (3) times during the school year to obtain input from parents in support of an ongoing development of the LEA-wide PFEP. The DAC Executive Board may advise the District's Department of Title I Administration on how the funds reserved for parent and family engagement will be spent. Schools implementing the Title I Schoolwide Program will establish an Educational Excellence School Advisory Council (EESAC). The EESAC will bring together all stakeholders, inclusive of parents, and involve them in the decision-making process of how the school will spend funds reserved for parent and family engagement.

## TECHNICAL ASSISTANCE TO SCHOOLS PARTICIPATING IN THE TITLE I SCHOOLWIDE PROGRAM

The District will provide coordination, technical assistance, and other support necessary to assist schools participating in the Title I Schoolwide Program in planning and implementing effective parent and family engagement activities. This effort will assist in building the capacity of parents to improve the academic achievement of their child and increase overall school performance, through the following means and activities: training seminars for principals of schools implementing the 2023-2024 Title I Schoolwide Program; the M-DCPS Parent Portal; District support provided to school site Parent Resource Centers; M-DCPS training available to assist each school in effectively managing their EESAC; the Project UP-START Education Program for Children and Youth Living in Transition in Miami-Dade County; The Parent Academy (TPA); and professional development activities provided via the Title I Community Involvement Specialist (CIS)/Community Liaison Specialist (CLS) Training Centers. Additionally, schoolsite CIS/CLS serve as a bridge between the home, school, and the community in order to facilitate workshops and training sessions, information, resources, telephone calls, home visits, and schoolsite and community parenting activities that strengthen the parent and family's capacity for engagement to support student achievement.

Schools implementing the Title I Schoolwide Program will be required to electronically submit their completed Title I School-level PFEP every year. The Department of Title I Administration's Accountability and Technical Assistance Team (A-TAT) staff members will review the electronic submission of the Title I School-level PFEP and provide technical assistance and support to ensure compliance with all requirements of Section 1116 of the Every Student Succeeds Act (ESSA). Additionally, in an effort to further assist schools in meeting the requirements of the law, A-TAT staff will conduct onsite technical assistance visits to selected Title I schools to ensure compliance with all requirements [Section 1112(C) and Section 1116].

The LEA will provide other reasonable support for parent and family engagement activities under Section 1116, as may be requested by parents via the Title I DAC general meetings (minimum of two per year and in the evenings/virtual); Title I PAC meetings (minimum of two per year for each administrative region in the District, at different times and locations to maximize parent and family participation); and the Title I schoolsite meetings/workshops for parents and families throughout the school year. Meeting agenda topics may include Recipes for Effective Parent and Family Engagement, Reviewing and Revising M-DCPS Title I PFEP, and Parent and Family Engagement Practices. Parents and families will also be provided with information and materials in support of improving the academic achievement of their children. Additionally, parents and families will be provided with information and training in the areas of technology use, life skills, and community service needs. The District will provide additional parent and family engagement guidance to schools in the Title I Administration Procedures Manual, which is an additional resource available to schools participating in the Title I Schoolwide Program. The Procedures Manual contains information on all elements of the Title I Schoolwide Program, inclusive of the specific requirements of ESSA, Section 1116, such as the PFEP and the School-Parent Compact sample template. In addition, the Department of Title I Administration's Website <http://title1.dadeschools.net>, and the Title I School-level Compliance Collaboration Site are available to support all participating Title I schools.

**ANNUAL EVALUATION OF THE CONTENT AND EFFECTIVENESS OF  
THE PARENT AND FAMILY ENGAGEMENT PLAN**

An annual M-DCPS Title I Parent and Family Involvement Survey is conducted toward the end of the school year to evaluate the content and effectiveness of the parent and family engagement outreach activities on improving the academic quality of schools funded by Title I, Part A, over the course of the academic year. The survey assists in identifying barriers to greater participation by parents in sanctioned activities. Evaluation findings are used to design more effective strategies for the following school year. A collaborative effort is made to inform parents of the availability and importance of this survey via the CIS/CLS, at Title I District and Region meetings, the Title I DAC Talk News Bulletin for Title I parents, the Title I Quarterly Bulletin, SchoolMessenger, and flyers. This survey is made available online in English, Spanish, and Haitian-Creole for parents to complete. Also, the printed version of the survey is made available at schools, and at District meetings to facilitate the completion of the survey by parents. The school's CIS/CLS or parent contact person will encourage and assist parents with the completion of the survey. Additionally, survey results are used by the District to develop the next school year's LEA-wide PFEP, and Title I School-level PFEP for schools implementing the Title I Schoolwide Program. All Title I schools will schedule meetings for parents before the end of the school year wherein participants will identify barriers which may have hindered parental participation in parent and family engagement activities during the school year and identify the steps the school will take to overcome those barriers. Moreover, the Office of Program Evaluation conducts an annual evaluation of the Title I Schoolwide Program, inclusive of the Parent and Family Engagement Program. The evaluation will focus on the outcomes of the services provided to parents and families.
